Cease and Desist: Noise and Smoke Pollution

to: Hector Salazar, H&X Builders
cc: Jennifer W. Sherman, The Edible Schoolyard Project
cc: Leah Simon-Weisberg, Berkeley Rent Board
cc: Picante Berkeley, Attention: Jessica, Mario

date: Friday, January 13, 2023

On information and belief, Hector Salazar (License No. 813277) and H&X Builders began intense construction at Picante Berkeley on January 10, 2023.

Neither James Maser nor Picante Berkeley provided advance notice of H&X Builders' construction. Picante Berkeley is located at 1328 Sixth Avenue in Berkeley, California.

H&X Builders' noise and smoke pollution exceeds reasonable levels, and H&X Builders' noise and smoke pollution levels renders my home to be unlivable. I have recorded noise pollution levels on each day of construction.

On January 13, 2023, I was forced to evacuate my home, because the smoke pollution was too intense. I note that Picante Berkeley's water pipes extend into my home, and these water pipes have not been properly installed. There is a hole extending from the floor of my house into the ceiling of Picante Berkeley's ceiling. I believe that this open hole may constitute a health code violation.

Hector Salazar should submit a remediation plan for noise and smoke pollution to the Berkeley Rent Board. If Hector Salazar fails to comply with this cease and desist, then I will file a petition with the Contractors State License Board.

Hector Salazar should review the following information:
